To Whom It May Concern

We confirm having procured more than 15 no. of Manual / Automatic, Float & Boost 220 V Battery Chargers from M/s Electro Service (India), Building No.2, Behala Industrial Estate, 620, D.H. Road, Kolkata – 700 034, since last 12 years.

The Chargers are installed and running mostly with 'Exide' make 220 V, 150 AH to 300 AH Batteries (Plante & Tubular) and performance of the Battery Chargers has so far been found satisfactory.
