**TO WHOM IT MAY CONCERN**

This is to certify that M/s Electro Service (India), Building No. 2, Behala Industrial Estate, 620 Diamond Harbour Road, Kolkata - 700 034 has been supplying thyristor controlled automatic Battery Chargers to us since the last six years. We have used these chargers in our various projects including steel plant under SAIL - IISCO, Burnpur. All these Battery Chargers are installed with Plante / Tubular / SMF VRLA batteries of EXIDE make and performance of their chargers are highly satisfactory.

We are also satisfied with their prompt after sales service.
